

Prayer Mix & Match

For this activity, we’re inviting you to spend some quiet time alone with God using a short Scripture, a song, and a simple prayer. If you’re new to this, just aim for five minutes at a time in your day when you can focus and be still. Play a song that sets an atmosphere of worship, read the Scripture you’ve chosen through 2–3 times and then end your time with a simple prayer that you can say once, repeat, or build upon. To get you started, we’ve handpicked some scriptures, songs, and prayers to help you customize your experience. Feel free to mix and match!
